Important Information for Parents
Welcome back to the final term of this year. Attached to the newsletter is the Term 4 Planner for parents. Changes to the planner will be advised via the newsletter, website and Skoolbag.

Western Sydney University First Food Forward Family Night
The Western Sydney First Food Forward Family Night is being held this Thursday 15 October commencing at 5:00pm in the Playhouse Building D Penrith Campus (Kingswood). There will be interactive workshops, jumping castles, photo booths, free wood fire pizza and parent information session. The school with the highest percentage of student attendance will receive a donation of five iPads to enhance interactive learning. All families are welcome to attend.

Selective High School Year 7 Placement Applications for 2017
Parents must apply online at www.schools.nsw.edu.au/shsplacement Applications for entry in 2017 can be made online between 13 October 2015 and 16 November 2015. Applications will
not be accepted after 16 November 2015. All applicants are required to sit the Selective High School Placement Test to be held on Thursday 10 March 2016.

All Year 5 students will receive an *Intention to apply for Year 7 entry to a selective high school in 2017* letter this week. Please return the slip if your child intends to sit for the test by Friday 23 October 2015. Please note that this is not an application for entry to a selective high school. It is a notice to our school that you intend to apply. More information is available on the website [www.whiteribbon.org.au](http://www.whiteribbon.org.au)

**Breaking the Silence Schools Program**

Kingswood Public School is taking part in the Breaking the Silence Schools Program for the first time this year. The focus of the program in the primary years is respectful relationships. As part of this program we will mark White Ribbon Day on Wednesday 25 November with students involved in activities on the day including a talk by a White Ribbon Ambassador. Mrs Di Giglio is coordinating this program. More information will be available about the program and this day on the website [www.whiteribbon.org.au](http://www.whiteribbon.org.au)

**Tea Towel Fundraiser**

As part of our fundraising efforts for this term our school is running a group tea towel project. Please see the order form in this newsletter. We hope you will support our fundraiser by buying a tea towel (or a few for family and friends) to have as a keepsake.

**SunSmart Schools Program**

Kingswood Public School has officially been recognised as a SunSmart school. Attached to this newsletter is our Sun Safe Policy. Please take the time to read the policy and talk to your child/children about the importance of keeping safe in the sun especially as we are coming into the summer months. The school continues to have a ‘no hat, no play policy. Please ensure that your child/children wear their school broad brim hat each school day.

**Absence Notification Through Skoolbag App**

Thank you to the many parents and carers who are promptly advising their children’s absences through the Skoolbag App. We are having some issues with the “Away Start Date” and the “Away Finish Date” notifications.

If your child is away for one day the “Away Start Date” and the “Away Finish Date” will be the same date. Some notifications are putting the finish date as the following date which means your child is recorded as being away on consecutive days. Please make sure the correct dates are entered for absence notifications.

**New NSW K-10 Syllabuses**

Since 2014 all NSW schools have been part of the staged implementation of the new NSW K-10 syllabuses. These syllabuses are based on the new Australian Curriculum for English, Mathematics, Science and History. Each of these learning areas includes content statements that represent essential learning for all Australian students.

In NSW the Board of Studies Teaching and Educational Standards NSW (BOSTES) has further developed the NSW syllabuses to include Australian curriculum content and more detail that clarifies learning. As a result, Kindergarten to Year 10 syllabuses provide direction to ensure greater consistency between NSW schools.

The new syllabuses build on the strength of the existing NSW curriculum. Many features of the new K-10 English, Mathematics, Science (incorporating Science and Technology K-6) and History syllabuses are retained. Literacy and numeracy remain important areas of focus in K-6 where essential foundation skills are developed.
The syllabuses identify the knowledge, understanding, skills, values and attitudes that students are expected to develop in each learning area. They are designed to provide flexibility for teachers to develop their teaching and learning programs to meet the needs of their students.

In addition to subject based content, all syllabuses address important contemporary themes and general capabilities as students prepare to live and work successfully in the 21st century. These include Australian curriculum cross-curriculum priorities and general capabilities and other learning across the curriculum areas.

At Kingswood Public School all teachers are teaching the new NSW English, Mathematics and Science and Technology syllabuses. This year the teachers are also working with new History syllabus for full implementation next year. The new Geography syllabus will follow after the implementation of the History syllabus.

The Department of Education is currently reviewing the way we report to parents. Reports will change to reflect the requirement of the policy standards for NSW schools. You will notice changes to our Semester 2 report. Please note that these changes are ongoing and will fully reflect the reporting requirements once this has been decided by the Department of Education. Further information for parents can be found on the parent page on the BOSTES website http://www.boardofstudies.nsw.edu.au/parents

Starting School Group
Our Starting School Group began on Wednesday 22 July (Week 2 Term 3) in the Old Hall commencing at 9:15 till 11:00 and continuing every Wednesday morning in Terms 3 and 4. This playgroup is for children starting school in 2016 and is FREE to attend. Parents stay with their child during the playgroup and younger siblings are also welcome. Please see the attached flyer for more information.

New Attendance Policy
The Department of Education and Communities has released a new Attendance Policy. This policy highlights the importance of students attending each school day. Students who are frequently absent or are late for school miss vital learning experiences that may affect their educational, social and emotional wellbeing.

All parents have a responsibility to ensure that children attend school each day and to notify the school as soon as possible if their child is away. If your child is absent parents are required to provide the school with an absence note explaining why they were away. If your child is absent for 2 days or more (without notification from parents) the school will contact you to find out why they are absent and why the school was not notified. If your child is absent due to illness the school can request a medical certificate from the doctor. Please ensure that a written letter or notification through the Skoolbag app is provided upon your child’s return to school.

Schools have a legal requirement to record student attendance. A significant change to the policy is the expectation that students who travel within Australia or overseas for a holiday do so during school holidays.

If students are going on holidays during school time an Application for Extended Leave – Travel must be completed by parents before travelling with copies of the itinerary attached. This absence will now be counted towards a student’s total absence and be recorded on your child’s Semester reports. Please consider the impact on your child’s learning before taking leave during school time. The Application for Extended Leave – Travel is available from the office. A Certificate of Extended Leave – Travel will be issued if the leave is approved. Please note that parents are responsible for supervision of children whilst on extended leave.
Letters are being issued to students who have been arriving early to school. **Please note that supervision of students does not commence before 8:30am in the morning.** Out of hours care is now available in our New Hall. If you require this service please contact Cubbyhouse on 1300 553 583.

**Keeping Our Students Safe – Road Safety**
Flashing lights have been installed at the front of the school to remind drivers to slow down to 40km in the school zone during school days. We are also very fortunate to have two Crossing ladies who assist in getting our students across the road safely.

Please take extra care when dropping off and picking up your child/children at the start and end of the day. It only takes a split second for a tragedy to occur. Please obey the traffic rules when parking and use the crossing.

Please also teach your child/children the importance of using the crossing and not walking through the staff car park which is out of bounds to all students at all times. We need to lead by example and work together to keep our students safe.

**Skoolbag App**
The app is free and is available to iPhone, iPad and Android users. Some of the key features of the Skoolbag app include push notifications, email, newsletters and GPS Directional Mapping. As the newsletter is now available on the app, we will no longer be sending hard copies home. A limited number of hard copies will be available at the office and the newsletter can also be accessed on the schools website.

There has been a recent software upgrade so please check if you have the latest version of Skoolbag App.

**Cubbyhouse Out of School Hours Care Service**
Cubbyhouse offers an out of hours school care service in the New Hall each school day. Please contact Cubbyhouse directly for more information and to enrol your child/children on 1300 553 583.

**Communicating with Staff**
If you have any issues or concerns in regards to your child’s schooling and wish to speak to your child’s class teacher or the Assistant Principals supervising the Stage or myself, please contact the office to make an appointment time. Please speak to the class teacher before speaking to the Assistant Principal or myself as we will refer you to the class teacher if you have not already spoken to them.

Please be aware that teachers are extremely busy during the school day and may be attending meetings before or after school. It is really difficult to get a class settled in the morning if there are parents trying to speak to the teacher.

**Excursion Notes**
Please note we do not accept hand written notes or verbal permission for excursion or other school events. **A school permission note for each child must be completed for every excursion and or special event.**

**Early Arrivals**
Please be aware the morning duty begins at 8:30am. Students are not supervised before this time. Please do not send your children to school before this time. If children need to be dropped off early, please organise before school care. Cubbyhouse OSHC can be contacted on 1300 553 583.
Running Late?
Please pick up your children promptly at 3pm if you collect them from school. If you are running late or have been delayed, please notify the school as soon as possible. Many children become distressed when parents are not there to pick them up at the end of the day. Children can be picked up from the office.

Are Your Contact Details Current?
Please let the office know in person or in writing if your contact details have changed including emergency contact details. If your child is sick or we need to contact you for any reason, it can be really difficult if the numbers are not current.

Out of Hours After School Care Services off the School Site
If your child attends an After Care Service off the school site please contact the Centre directly if your child is not attending on the day. Some parents decide to pick their children up or vary their after school arrangements without notifying the After School Care Centre or our office. Executive staff are then required to spend a lot of time trying to find these ‘missing’ students. Your support in this matter would be greatly appreciated.

Lost Property/Clothing Pool
Each term we have lots of lost property. Please label your child’s hats, bags, jumpers, lunch boxes and drink bottles. Lost property is located in the brick building closest to the entrance and exit gate. Due to hygiene issues, lost lunch boxes and drink bottles without names will be disposed of.

The P&C operates the Clothing Pool each Tuesday from 8:45am until just after 9:00am in the brick building located nearest to the front entrance of the school. Items can be purchased for a gold coin donation.

Medical Conditions
If your child/children have any medical conditions that the school should be made aware of such as Anaphylaxis or Asthma please contact the school office immediately and provide them with their health care plan if you have not already done so.

Anaphylaxis
An increasing number of our students are being diagnosed with Anaphylaxis. Anaphylaxis is the most severe form of allergic reaction and is potentially life threatening. It must be treated as a medical emergency, requiring immediate treatment and urgent medical attention.

Anaphylaxis is a generalised allergic reaction, which often involves more than one body system (eg. skin, respiratory, gastro-intestinal, cardio vascular). A severe allergic reaction usually occurs within 20 minutes of exposure to the trigger and can rapidly become life threatening.

Common triggers include food such as peanuts, tree nuts, sesame, milk, eggs, fish, crustaceans and soy are the most common food triggers, which cause 90% of allergic reactions. It is important to understand that even trace amounts of foods can cause a life-threatening reaction. Other triggers include insect stings, medication or such things as latex.

We ask for your support and request that all students do not bring to school any nut products or foods that contain traces of nuts. This includes birthday cakes, cupcakes, doughnuts and lollies.

If you would like more information about Anaphylaxis or have a child who has this condition and you have not notified the school, please contact the office immediately.
Early Stage 1 & Stage 1 Students – Change of Clothes
If your child is in Early Stage 1 or Stage 1 could you please ensure that you have a change of underpants and track pants/shorts in your child’s bag in case of a toileting accident or wet weather. We have a very limited supply available at school and we would appreciate your support in this matter.

Voluntary Contribution
Each year families are asked to pay a voluntary contribution. The voluntary contribution is $40 per child or $70 per family. Thank you to those families who have already paid their contribution. Your support is appreciated.

Mobile Phones and Electronic Devices
We discourage students from bringing mobile phones to school unless they are in the Opportunity Classes and they are travelling from another area to the school. Mobile phones must be handed in to the office each morning turned off and picked up at the end of the day. If you need to get a message to your child/children please contact the office.

Electronic devices are not to be brought to school. Please note that the school takes no responsibility if a student brings an electronic device to school and if an electronic device is lost or stolen.

Bikes and Scooters
Students are able to ride their bikes and scooters to school. These must be chained to the bike rack during the school day. A helmet must be worn at all times that the student is riding his or her bike or scooter to and from school. The school takes no responsibility for bikes or scooters brought to school.

Keeping Our Students Safe
Help us to keep our students safe by not walking your children through the car park or driving into the car park. The car park is for staff parking and deliveries only. The car park is out of bounds to all students at all times.

Please be aware that Traffic Rangers will be patrolling outside the school both in the mornings and afternoons issuing infringement notices for traffic violations.

Dogs in the School Grounds
The Companion Animals Act 1998 – Sect 14 states that dogs are prohibited from school grounds. Please do not bring your dogs into the school grounds as many students are frightened of dogs and we are trying to keep all students safe.

School Website
The school has a fabulous website that parents can access for further information about the school including permission notes and the school newsletter. Thank you to Mrs Hall and Mrs Proud who maintains the website. The website address is http://www.kingswood-p.schools.nsw.edu.au

P&C - Making a Vital Contribution to Our School
The next P&C Meeting will be held on Tuesday 27 October 2015 at 2:00 in the staffroom. All parents and carers are most welcome to attend.

Norma Petrocco
Principal
Stewart House Clothing Appeal
Stewart House are having a Clothing Appeal and the collection date for our school is 9 November. Bags are being sent home that can be filled with any clean clothes that you or your children may have outgrown or no longer want.

Filled bags can be left in the foyer of the library on Monday 9th November before 9am. Please do not return bags before this date as it can be hard to store them at school.

Thank you for your support of this worthy cause.

Mrs Hall

Sun Safety Presentation
As Ms Petrocco mentioned, Kingswood Public School is now a Sun Safe School. To extend on our current teaching and learning programs from the PD/H/PE syllabus we will be having a guest speaker from the Melanoma Institute Australia to speak to the students about the importance of Sun Safety.

Mr Jay Allen was diagnosed with a Stage III Melanoma just over 6 years ago. Since then he has worked with the Melanoma Institute to raise awareness of Melanoma, the importance of regular skin checks and the prevention of skin cancer by protecting yourself from the sun.

Mr Allen will be visiting our school on Wednesday 28 October. If you have any questions or concerns about your child’s participation in the presentation please contact me.

Dear Parent / Carer,

As part of our fundraising efforts for this term, our school is running a group tea towel project.

The unique tea towel design will be made up of individual portraits created by all our children and staff. The children’s pictures and names will be arranged together as a commemorative design for the whole school, then screen printed in green onto high quality white tea towels (50x70cm).

We chose tea towels because the project involves the children, provides a wonderful keepsake and makes a meaningful gift for parents, relatives and special friends. The tea towels look amazing, are so easy to post and make a fabulous reminder of your child’s early years. There is a sample tea towel hanging in the office to view.

Tea towels cost $12 for one limited edition tea towel. Tea towels can be ordered by completing the order form below and returning it with the correct money to the money slot in the office in an envelope clearly marked “TEA TOWEL ORDER”.

Make sure you don’t miss out! Preserve your child’s artwork and remember friends and teachers forever!

Orders must be sent to the office no later than 6th November 2015 as orders need to be placed with the providers

Thank you for your continued support.

Mrs Sheree Parkin
Co-ordinator

Ms Norma Petrocco
Principal

SUN SAFE POLICY – KINGSWOOD PUBLIC SCHOOL

At Kingswood Public School we implement sun safe practices for students and staff through the following strategies.

1. Scheduling outdoor activities
   - Where possible we schedule outdoor activities outside the peak UV times of 10am-2pm (11am-3pm daylight saving time), in the shade or indoors. This includes assemblies, PE lessons and school sport.
   - We consider sun protection when planning outdoor activities, including excursions, sport and carnivals.
   - We review class timetables to minimize outdoor activity during peak UV times.

2. Shade
   - We are committed to providing a variety of shade in all areas where students congregate. This includes trees, built and portable shade in areas for recess, lunch, outdoor teaching and sport.
   - We encourage students to use available shade when outside.
   - We conduct shade assessments to determine future shade needs.
   - We consider shade or indoor options for all outdoor activities and excursions.

3. Hats
   - We encourage students to wear sun-safe hats that protect the face, neck and ears when outside for play, sport and teaching. We include sun-safe hats (broad brimmed) in our school uniform.
   - Baseball caps are not to be worn.
   - We use age and developmentally appropriate sun-safe strategies such as “No hat, play in the shade”.

4. Clothing
   - We ask students to wear a school uniform which are effective in minimizing exposure to ultraviolet radiation, including shirts with collars or covered necklines and sleeves, skirts, culottes, pants or shorts.
   - We encourage the use of rash vests or t-shirts for outdoor swimming.

5. Sunscreen
   - We encourage the use of sunscreen that is at least SPF30+ broad-spectrum and water-resistant for all school activities and events.
   - We encourage students to apply sunscreen before going outdoors and to reapply sunscreen every 2 hours when outdoors for extended periods.

6. Role modelling of staff
   We ask staff to role model good sun protection behaviours when outside, including:
   - Wearing sun-safe hats, clothing and sunglasses.
   - Applying at least SPF30+ broad-spectrum water-resistant sunscreen.
• Seeking shade whenever possible.
• Phasing out baseball caps.

7. Curriculum
• We teach sun safety across Key Learning Areas in all year levels.
• Students understand why sun safety is important and learn how to take effective sun protection actions.

8. Informing the school community
• We communicate sun protection information through a range of channels, e.g., our annual report, newsletters, notice boards, online, parent meetings, staff meetings, school assemblies and student orientation.
• We encourage families and visitors to role model sun protection measures when attending outdoor activities.

9. Review
• The school community will regularly monitor and review the effectiveness of the Sun Protection Policy by referring to DEC’s Sun Safety for Students Guidelines, Checklist and Action Plan.
• We will update the school’s Sun Protection Policy in line with the SunSmart recommendations and send to Cancer Council NSW every three years.
ABEL SCHOOLWEAR

Abel Schoolwear has advised that they are experiencing ongoing problems with their telephone and fax lines since their relocation to Unit 1, 5 Coombes Drive Penrith due to problems with the NBNCo.

Calls are currently being diverted to mobile phones and they are trying their best to answer all calls.

Please contact Abel Schoolwear via email: abelschoolwear@bigpond.com.au

Abel Schoolwear apologises for any inconvenience as it may be mid to late June before the problems can be fixed by Telstra.
