Important Information for Parents

Our refurbished demountable has been located on site. S2K have moved in this week. The class is located next to Mrs Dunstan’s room. Thank you to Mrs Young, Mrs Hall and S2K for the use of the Library and their patience.

Parent/Teacher Interviews

Parent/Teacher interviews will be held in the last two weeks of this term. Each class teacher will send a letter home with your child/children outlining what days and times they are available. Please take this opportunity to meet your child’s/children’s teacher and to find out about their progress so far. It is also an opportunity for you to tell the teacher about your child and discuss any issues or concerns you may have. If you are unable to attend in person, please contact the teacher in regards to a phone interview at a mutually convenient time. Interviews will only be held later in the year if the teacher or parent requests it.

District Swimming Carnival

On Wednesday 4 March Kingswood Public School hosted the District Swimming Carnival at Ripples pool in Penrith. Thank you to Mr Hazell and Mrs Fox for their meticulous organisation of the carnival. It was a very successful and well run event. Thank you to the staff of Kingswood
Public School who worked at the carnival on the day. Thank you also to the P&C who provided a delicious lunch and to the Stage 3 students who were student helpers on the day.

New Attendance Policy
The Department of Education and Communities has released a new Attendance Policy. This policy highlights the importance of students attending each school day. Students who are frequently absent or are late for school miss vital learning experiences that may affect their educational, social and emotional wellbeing.

All parents have a responsibility to ensure that children attend school each day and to notify the school as soon as possible if their child is away. If your child is absent parents are required to provide the school with an absence note explaining why they were away. If your child is absent for 2 days or more (without notification from parents) the school will contact you to find out why they are absent and why the school was not notified. If your child is absent due to illness the school can request a medical certificate from the doctor. Please ensure that a written letter or notification through the Skoolbag app is provided upon your child’s return to school.

Schools have a legal requirement to record student attendance. A significant change to the policy is the expectation that students who travel within Australia or overseas for a holiday do so during school holidays. If students are going on holidays during school time an Application for Extended Leave – Travel must be completed by parents before travelling with copies of the itinerary attached. This absence will now be counted towards a student’s total absence and be recorded on your child’s Semester reports. Please consider the impact on your child’s learning before taking leave during school time. The Application for Extended Leave – Travel is available from the office. A Certificate of Extended Leave – Travel will be issued if the leave is approved. Please note that parents are responsible for supervision of children whilst on extended leave.

Letters are being issued to students who have been arriving early to school. Please note that supervision of students does not commence before 8:30am in the morning. Out of hours care is now available in our New Hall. If you require this service please contact Cubbyhouse on 1300 553 583.

Keeping Our Students Safe – Road Safety
Flashing lights have now been installed at the front of the school to remind drivers to slow down to 40km in the school zone during school days. We are also very fortunate to have two Crossing ladies who assist in getting our students across the road safely.

Second Avenue is a very busy road. The traffic has increased substantially due to university and TAFE students returning. The road is also currently being used as a detour for Caddens Road which is closed.

Please take extra care when dropping off and picking up your child/children at the start and end of the day. It only takes a split second for a tragedy to occur. Please obey the traffic rules when parking and use the crossing. Please also teach your child/children the importance of using the crossing and not walking through the staff car park which is out of bounds to all students at all times. We need to lead by example and work together to keep our students safe.

School Merit System
Below is an explanation of how our School Merit System works for our new students and parents:

The small merit cards (green in 2015) and the small yellow merit cards given out at assembly are equal to 1 point.

Students need to accumulate 5 points to receive a Supervisor’s Award which is a large yellow merit card.
Students need to accumulate another 5 points to receive a Principal’s Bronze Award.

This process is repeated to receive both Silver and Gold Principal’s Awards.

At the end of the year all students who have received a Gold Principal’s Award will attend a special morning tea hosted by the Principal.

5 points = Supervisor’s Award
Another 5 points = Bronze Principal’s Award

5 points = Supervisor’s Award
Another 5 points = Principal’s Silver Award

5 points = Supervisor’s Award
Another 5 points = Principal’s Gold Award

This merit system starts and finishes with each school year. Merit cards cannot be carried over to the new school year.

All merit cards for Early Stage 1 and Stage 1 are to be handed to Early Stage 1/Stage 1 supervisor.

All merit cards for Stage 2 and Stage 3 are to be handed to the Stage 2/Stage 3 supervisor.

General Permission to Publish
A note has been sent home in regards to general permission to publish. Please read the note and return it completed and signed to your class teacher if you have not already done so.

Skoolbag App
The app is free and is available to iPhone, iPad and Android users. Some of the key features of the Skoolbag app include push notifications, email, newsletters and GPS Directional Mapping. As the newsletter is now available on the app, we will no longer be sending hard copies home. A limited number of hard copies will be available at the office and the newsletter can also be accessed on the schools website.

There has been a recent software upgrade so please check if you have latest version of Skoolbag App.

Cubbyhouse Out of School Hours Care Service
Cubbyhouse offers an out of hours school care service in the New Hall each school day. Please contact Cubbyhouse directly for more information and to enrol your child/children on 1300 553 583.

Communicating with Staff
If you have any issues or concerns in regards to your child’s schooling and wish to speak to your child’s class teacher or the Assistant Principals supervising the Stage or myself, please contact the office to make an appointment time. Please speak to the class teacher before speaking to the Assistant Principal or myself as we will refer you to the class teacher if you have not already spoken to them.

Please be aware that teachers are extremely busy during the school day and may be attending meetings before or after school. It is really difficult to get a class settled in the morning if there are parents trying to speak to the teacher.
Excursion Notes
Please note we do not accept handwritten notes or verbal permission for excursion or other school events. A school permission note for each child must be completed for every excursion and or special event.

Early Arrivals
Please be aware the morning duty begins at 8:30 am. Students are not supervised before this time. Please do not send your children to school before this time. If children need to be dropped off early, please organise before school care. Cubbyhouse OSHC can be contacted on 1300 553 583.

Running Late?
Please pick up your children promptly at 3 pm if you collect them from school. If you are running late or have been delayed, please notify the school as soon as possible. Many children become distressed when parents are not there to pick them up at the end of the day. Children can be picked up from the office.

Are Your Contact Details Current?
Please let the office know in person or in writing if your contact details have changed including emergency contact details. If your child is sick or we need to contact you for any reason, it can be really difficult if the numbers are not current.

Out of Hours After School Care Services off the School Site
If your child attends an After Care Service off the school site please contact the Centre directly if your child is not attending on the day. Some parents decide to pick their children up or vary their after school arrangements without notifying the After School Care Centre or our office. Executive staff are then required to spend a lot of time trying to find these ‘missing’ students. Your support in this matter would be greatly appreciated.

Lost Property/Clothing Pool
Each term we have lots of lost property. Please label your child’s hats, bags, jumpers, lunch boxes and drink bottles. Lost property is located in the brick building closest to the entrance and exit gate. Due to hygiene issues, lost lunch boxes and drink bottles will be disposed of.

The P&C operates the Clothing Pool each Tuesday from 8:45 am until just after 9:00 am in the brick building located nearest to the front entrance of the school. Items can be purchased for a gold coin donation.

Medical Conditions
If your child/children have any medical conditions that the school should be made aware of such as Anaphylaxis or Asthma please contact the school office immediately and provide them with their health care plan if you have not already done so.

Anaphylaxis
An increasing number of our students are being diagnosed with Anaphylaxis. Anaphylaxis is the most severe form of allergic reaction and is potentially life threatening. It must be treated as a medical emergency, requiring immediate treatment and urgent medical attention.

Anaphylaxis is a generalised allergic reaction, which often involves more than one body system (eg. skin, respiratory, gastro-intestinal, cardio vascular). A severe allergic reaction usually occurs within 20 minutes of exposure to the trigger and can rapidly become life threatening.

Common triggers include food such as peanuts, tree nuts, sesame, milk, eggs, fish, crustaceans and soy are the most common food triggers, which cause 90% of allergic reactions. It is important to understand that even trace amounts of foods can cause a life-threatening reaction. Other triggers include insect stings, medication or such things as latex.
We ask for your support and request that all students do not bring to school any nut products or foods that contain traces of nuts. This includes birthday cakes, cupcakes, doughnuts and lollies.

If you would like more information about Anaphylaxis or have a child who has this condition and you have not notified the school, please contact the office immediately.

**Early Stage 1 & Stage 1 Students – Change of Clothes**
If your child is in Early Stage 1 or Stage 1 could you please ensure that you have a change of underpants and shorts in your child’s bag in case of a toileting accident or wet weather. We have a very limited supply available at school and we would appreciate your support in this matter.

**Voluntary Contribution**
Each year families are asked to pay a voluntary contribution. The voluntary contribution is $40 per child or $70 per family. This year the P&C are running a competition for all those families that have paid their voluntary contribution by the end of Term 1. **One family will win a Mini iPad.** Look out for the P&C flyer and the voluntary contribution note.

**Mobile Phones and Electronic Devices**
We discourage students from bringing mobile phones to school unless they are in the Opportunity Classes and they are travelling from another area to the school. Mobile phones must be handed in to the office each morning turned off and pick up at the end of the day. If you need to get a message to your child/children please contact the office.

Electronic devices are not to be brought to school. Please note that the school takes no responsibility if a student brings an electronic device to school and if an electronic device is lost or stolen.

**Bikes and Scooters**
Students are able to ride their bikes and scooters to school. These must be chained to the bike rack during the school day. A helmet must be worn at all times that the student is riding his or her bike or scooter to and from school. The school takes no responsibility for bikes or scooters brought to school.

**Keeping Our Students Safe**
Help us to keep our students safe by not walking your children through the car park or driving into the car park. **The car park is for staff parking and deliveries only.** The car park is out of bounds to all students at all times.

Please be aware that Traffic Rangers will be patrolling outside the school both in the mornings and afternoons issuing infringement notices for traffic violations.

**Dogs in the School Grounds**
The *Companion Animals Act 1998 – Sect 14* states that **dogs are prohibited from school grounds.** Please do not bring your dogs into the school grounds many as students are frightened of dogs and we are trying to keep all students safe.

**School Website**
The school has a fabulous website that parents can access for further information about the school including permission notes and the school newsletter. Thank you to Mrs Fox who maintains the website. The website address is [http://www.kingswood-p.scho...](http://www.kingswood-p.schools.nsw.edu.au)

**Library Monitors**
The following Year 6 students have been selected as Library Monitors for 2015. Congratulations to Ana S3D, Natasha S3D, Alison S3D, Iman S3J, Yuraj S3J, Abbas S3J, Megha S3D, Christina S3J, Irene S3J, Reva S3J, Anna S3D and Annabel S3D.

Interested students were required to complete a written application for a Library Monitor’s position. I was very impressed with the responses I received. All applicants displayed wonderful personal qualities and a willingness to give up their time to assist with a range of library duties. We are very lucky to have such dedicated students in our school. Thank you to the parents/caregivers and class teachers for supporting these students.

**Premier’s Reading Challenge**
The Premier’s Reading Challenge for 2015 has begun and will conclude mid-August 2015.

Students must complete a set amount of reading to meet the Challenge. Early Stage 1 and Stage 1 students – 30 books. These books can be read to the student, read with the student or read by the student. 25 of these books must be from the Reading Challenge K – 2 booklist, the other 5 being personal choice books.

Stage 2 and Stage 3 students – 20 books
At least 15 of these books must be on the Reading Challenge booklist.

Students are required to record the book Identification number (ID), title and author of each book read on their Reading Log sheet OR go online to the NSW Premier’s Reading Challenge website and log on using their student username and password and enter the information.

If books are borrowed from our school library you will find the ID number written inside the front cover of the book. You will also find them under ‘Booklist’ on the PRC website. Let me know when you have read the appropriate number of books and completed the challenge.
All students have now received a Premier’s Reading Challenge Information Note and Permission Note. We would like to encourage all students to be involved in this reading activity. No cost is involved. Please return the permission note to your child’s class teacher as soon as possible.

Please contact me if you need any assistance.
