SPORT IN SCHOOLS

Dear Parent/Caregiver

The Sport in Schools program has been successfully running this term. Students have been engaged in a variety of sporting skills with highly motivational equipment.

The second instalment of $20.00 is now due for those students who are paying by instalments.

For your child to be able to continue in the second half of the Sport in Schools program, a payment of $20.00 needs to be included in a labelled envelope with permission slip below and forwarded to the office by 2 June 2011.

Students will not be eligible for further participation if payment is not received by the due date.

If your child has not participated for the first five (5) weeks of the Sport in Schools program and you would like your child to participate in the final five (5) weeks, there is still an opportunity for your child to pay and join in. Please complete the permission slip below. If you have any queries regarding the Sport in Schools program please contact the office.

Thank you for supporting this wonderful sports program.
