About the P&C

The Kingswood Public School P&C meets once a month on a Tuesday afternoon in the staffroom at 2pm.

We aim to finish the meeting by 3pm. We are always joined by our Principal Norma Petrocco. Norma keeps us up to date with change concerning the school, Department Guidelines and Policies, school grounds and business.

We acknowledge that there are many parents helping the P&C in many areas such as cooking on the school BBQ, baking cake for our cake stall and donating gifts for our raffles, Mother’s Day and Father’s Day stalls. The P&C works so well because of this active parent involvement.

How P&C Funds are used

The money that the P&C raises is used to benefit all students as well as the whole school community. In the past two years the main focus was to air condition all classrooms and to replace the air conditioning units in the Library.

The focus for the P&C has moved to raising funds to purchase and install Electronic Interactive Whiteboards in all classrooms.

Fostering a Caring School Community
Whilst it does seem that the main focus of the P&C is to raise money for the School and our children, it is also a great way to engage with others and to foster a close and caring school community of parents, children and teachers. We are always willing to hear of new ideas for fundraising and ideas to improve our school environment.

**Working Groups**

**Uniform Shop**

The P&C have a second hand uniform shop which is open every Monday afternoon from 2:30pm - 3:00pm.

The uniform shop sells both summer and winter uniforms for the price of $1 per item. The sizes range from a 6 - 16.

**Due to health regulations school hats are not sold at the uniform shop.**

Thank you to those whom have donated unwanted uniform to our shop, without these we would not have the great success that we have.

**School Banking**

The Commonwealth School Banking Program is every Tuesday.

The P&C receives $5 for every new account that is opened as well as 5% of the total deposit each week. If you are interested in opening an account you can do so by going into the Commonwealth Bank.

There is a rewards system in place for those children that make a deposit each week. For every deposit made each week the children will receive a dollarmite token, once they have 10 tokens they are able to chose a prize which is handed out at the school assembly. Deposit can be as little as five cents.

We currently have 181 children participating in the school banking which is a fantastic effort.
